

## **Study guide for the final exam.**

**Coverage:** All the material that we covered this year:

If you will need to use the axioms for the real numbers, then I will provide them.

### **Sources.**

- Your notes from the lectures
- Your notes from the tutorials
- Yael's notes from the lectures
- Spivak's textbook
- Handouts on course website
- Weightless assignments
- For-credit assignments
- Materials from previous years: exams, term tests, homework assignments
- Spivak's exercises
